Important Cases Are Decided

Brother Of Father J. F. Byrne Dies While On Honeymoon

Twenty-Four Foot Highway Through The Springs Section

WILLIAM BYRNE WAS VICTIM OF HEART ATTACK

Was Married By Sonoma Priest Wednesday and With Bride Was In San Francisco When Stricken.

Wm. D. Byrne whose mother and brother, the latter Rev. J. F. Byrne, popular pastor of Sonoma's St. Francis church reside here, died suddenly in San Francisco Thursday while on his honeymoon with his bride, formerly Miss Estella Smith of Los Angeles. He had just arrived from the South and was entering a hotel in San Francisco when seized with the fatal heart attack. He died enroute to the Harbor Emergency Hospital.

Byrne was 34 years of age and a well known plumbing contractor of Los Angeles. His Sonoma relatives went down to the wedding which was solemnized by Rev. Father Byrne last Wednesday in the Southern city.

Deceased was 34 years of age and well known in Sonoma where he worked on the new parochical residence. He was a splendid young man and his death will bring sorrow to many friends and relatives.

MISS PEARL FALLON TO WED DR. MILLERICK

Sonoma Couple Will Wed at Double Ceremony of Fallon Sisters at St. Vincents Church, Petaluma.

Miss Pearl Fallon, pretty school teacher and member of the Sonoma Grammar School teaching staff, will be married this month to Dr. George Millerick of Schellville. Dr. Millerick, one of the famous rodeo family, is a practicing veterinary and performed splendid service in the army during the late war. He has been practicing his profession here for some time past and has been active as an inspector during the recent cattle epidemic.

The wedding will be a double one, as Miss Fallon's sister is to wed the same day at the pretty Catholic church in Petaluma. The Petaluma Courier says:

"At a dinner party given at their home, Mr. and Mrs. L. F. Fallon announced the engagement of their two beautiful daughters to the group of relatives and friends present. The betrothal was made known by dainty cards concealed under the favors at each place at the table. Miss Eva Mary Fallon is betrothed to Cornelius Larson of Stevenson, Merced county, and her sister, Miss Pearl Marguerite, is to wed Dr. George Millerick of Schellville, near Sonoma.

"The double wedding will take place at St. Vicent's church during the summer months.

"The Misses Fallon are among the most charming of Petaluma's fair daughters and are favorites here. They graduated from the Petaluma high school and completed their education with a course at the Humboldt State Teachers' College. Miss Pearl is teaching in the Sonoma Grammar school and Miss Eva is in charge of the Lakeville school."

The Speed Cop Is Not A Bad Scout At Times

A speed cop is not such a bad scout at times, so thinks a scared husband from a neighboring city who was motoring here with his affinity the other night. The Sonoma speed cop noticed a classy couple speeding through town. He trailed their car and to his astonishment it suddenly slowed down right in front of him. He was about to do his duty, when he was embarrassed—the girl who was driving was being kissed—a soulful one. "Ye gods, we're followed," he heard them say, as she stepped on the gas. At the outskirts of the city they were overtaken. "A speed cop, not a detective for friend wife?" "No, I'm just a chaser after you road burners," explained the deputy. The fellow winced at the word "chaser," but paid his fine and almost kissed the cop on both cheeks. Attention, motorists! Monsieur Speed Cop is not a bad scout at times.

TRUSTEES DISCUSS NEW FIRE ENGINE

Trustees Consider Important Matters and Authorize Warrants Drawn for Speed Cop and City Recorder.

At the regular June meeting of the Board of City Trustees, all members were present, except Trustee Dobbel. In addition City Clerk Gottenberg, City Engineer Specht, City Treasurer Rae B. Hunter and City Marshal J. H. Albertson graced the meeting with their presence.

After the minutes of the previous meeting had been read and approved, bills were passed upon and warrants ordered drawn. Among the important bills authorized was one for $145 of the new deputy marshal, or speed cop, Fred E. Eberhardt, the amount representing 25 per cent of the fines derived from motor law violators. A like amount was ordered paid City Recorder Small, who presides over the speed court.

Contractor R. P. Brotemarkle asked for a permit to remodel the McCartney building on Napa street, which has been leased for 5 years by Chambers & Hanlon, new proprietors of the Elite Cafe.

Messrs. P. Fognini and J. Mazza appeared before the board to ask for sewer connections for their property in the Hunt tract. The sum of $1200 is needed for sewer extensions in that part of the city.

R. A. McDonnell protested overflow water from artesian wells which now flows past his place and has become offensive and a breeding place for mosquitos. The trustees were asked to have the nuisance abated.

A comprehensive description of the type of new fire engine being considered for Sonoma was given by Mr. Wilson, representing the Pacific Fire Extinguisher Company. The pump supplied by this firm, together with Reo chassis and hose, would cost $6500, the board was told, or $5000 without hose. A communication was read from the city attorney advising them as to the necessary procedure to acquire fire fighting apparatus, as petitioned by Sonoma residents.

Decision of Judge Thompson Is In Favor of Otto Brandt As Against Emma Merriam

Decision rendered by Judge Rolfe Thompson in the cases of Emma Merriam versus Otto Brandt gives decided victory to Brandt, who for years has managed the rich estate left by the widow of a pioneer family of the Embarcadero. Miss Merriam, heiress to the property, who has been an inmate of an asylum as a result of worry over her financial difficulties, was represented in the court action by her guardian, an Oakland bank. She made one trip to Santa Rosa during the progress of the case and is said to have given testimony there which was favorable to Brandt's continuing in the management of her property, despite the allegations in the complaint filed in her behalf.

The decision favorable to Brandt releases considerable money derived from the gravel pits on a portion of the ranch, the gravel being used largely by state and county for road building. Tuesday's Republican said:

"Superior Judge Rolfe L. Thompson today signed three judgments in the many sided Emma Merriam versus Otto Brandt case, which occupied the greater part of a week to try here several weeks ago.

"Two of the judgments are in favor of the defendant and one in favor of the plaintiff.

"The phases of the case won by the defendant deal with the quieting title to a 17 acre tract of land. According to the court, Brandt had deeded to Emma Merriam the tract of land, but had merely put the deed in a safe deposit box accessible to either of them, saying at the time that in the event of anything happening to him she should have the deed. The court held that this depositing of the deed in the box, even though jointly used by the two of them, did not constitute delivery.

"The second phase won by Brandt concerned the rental of a 475 acre ranch and the removal of gravel there from. Judgment was refused the plaintiff in this particular action, the court declares, because Miss Merriam and Brandt maintained a joint accouunt in connection with the conduct of the ranch, and testimony was adduced to show that at least a portion of the money derived from the sale of gravel was deposited in this account, as was other money accruing from the ranch.

The one point won by Miss Merriam in her suit was the possession of the greater portion of a quantity of personal property. Jewelry in a safe deposit box in Oakland, claimed by the plaintiff, the court finds the evidence shows belong to Brandt."

HIGHWAYS CROWDED OVER THE WEEK-END

The last week end beginning Decoration Day saw thousands of automobiles coming over the ferries to Sonoma and adjacent counties. It is estimated that 75,000 machines crossed the San Francisco and Marin ferries alone.

Sunday night the Sonoma Valley-San Rafael auto bus line of Valente & Stuermer had to use nine machines on one trip to accommodate passengers. Two Richmond ferry busses and several touring cars were pressed into service in addition to the five busses owned by the local company.

HAMIL WAGNON IS ELECTED PRINCIPAL

Hamil Wagnon, former Sonoma boy who has recently been teaching in San Francisco and doing graduate work at the University of California, has been elected principal of the Lincoln School, in Napa. Mr. Wagnon is the son of former Sonoma post master John Wagnon, who is now a prosperous rancher of Napa county. The following is from the Napa Register:

"At a meeting of the school trustees of Napa School District Monday evening, Hamil O. Wagnon was elected principal of the Lincoln School, to succeed Eugene Storm, resigned. Mr. Wagnon is member of a Napa county family, his parents residing at present on the Berryessa road near this city. He is a graduate of the Chico State Normal School, and of the University of California. He has been an instructor in San Francisco schools for the past three years. Mr. Wagnon, who comes highly recommended, has been very anxious to locate in Napa because of the high standards of school work here, because of his admiration of Napa as a community and because of the fact that he has relativts residing near this city."

TITLED VISITOR GUEST OF MRS. LONDON

Former Princess Elizabeth Kalani-Aniole of Hawaii, widow of Prince Cupid who for 20 years officially represented the Islands at Washington, D. C., has been here on a visit to her friend, Charmian London, at Glen Ellen. The titled visitor is now Mrs. Frank Wood, of Honolulu, and with her husband, the newlyweds enjoyed the romantic beauty of the Jack London ranch for several days last week.

Another recent visitor at the London ranch was Frederick O'Brien, author and traveler whose stories of the south seas are famous.

RECOVERING FROM MAJOR OPERATION

Mrs. Stanley A. Robinson, wife of the well known tire man of Sonoma, is recovering from a major operation at the Santa Rosa General Hospital. The many friends of the popular young matron will be pleased to know that she is soon to return home here. Her sister, Mrs. Robert L. Stanleigh, visited her at the hospital Monday evening.

Making Hay While Sun Shines Is Old Stuff

"At the Cotati Rancho hay cutting is in progress at night. The machines are equipped with electric lights. More mowing can be accomplished in the cool of the evening than in the heat of the day." Gosh dern it, another old maxim gone to smash! Now that we are cutting hay at night, we anticipate that the rolling stone that gathers no moss will quit rolling and the watched kettle that never boils will shortly start in. In these days of abundance of moonshine the world seems topsy-turvy and sunshine only a commodity boosted by the ice man, by those who are conducting swimming tanks, and the manufacturers of parasols. There is no doubt that making hay at night is the last straw, and a solar plexus for our old friend Sol.

COMMENCEMENT EXERCISES JUNE 20

Talks This Year by Students of the High School. Alumni Bidden to Senior Ball June 21st.

Sonoma Valley Union High School is busily active in preparation for the commencement exercises. Graduation comes on the night of June 20th, and the Senior ball on June 21st.

The high school is planning a real old fashioned commencement, and the program will be furnished entirely by the school, mostly by the Senior class. The Board of Trustees did not wish to spend money on outside speakers at a time when the public is particularly eager to hear addresses delivered by their own boys and girls.

The program will consist of student speakers and miscellaneous musical numbers. The speakers and the subject upon which they will talk are are follows:

"How Science Has Transformed the World," Anna Noyes.

"The Reason for Art and Music In the High School," Evelyn Cordell.

"Making Civil Service a Career," Beth Lane.

"What Physical Training Aims to Accomplish," Kenneth Parker.

"Truth as a Factor In Human Happiness and Human Progress," Roy Wirtz.

"Developing the Sense of Social Responsibility In the High School," Irma Adler.

All these speeches will be of five minutes duration.

Principal L. H. Golton will talk on the subject, "Does Education Pay?"

The Senior ball will be the most important social affair of the school for the year. An attempt will be made to send a personal invitation to every alumnus. The auditorium will be beautifully decorated; there will be many unique features and surprises. Where an alumnus has married or has moved away, making it difficult to send an invitation, the school should be immediately notified. The school would also like to receive a letter from every alumnus giving the present address and occupation.

STATE HIGHWAY COMMISSION PLANS TO WIDEN ROAD

Progress On New State Work Satisfactory and Ahead of Schedule, Declare Engineers.

Progress on the new state highway now being constructed between Beltane and Schellville by Galbraith & Janes, has reached the point where materials have been ordered for the portion to be surfaced, and it is expected that the concrete will be poured next week. The 20 foot paved portion connecting up with the Sonoma city pavement on Broadway can be surfaced in 10 days.

The announcement is made that the highway between the Boyes Springs ball park and the Lark, at Agua Caliente, will be a 24 foot paved road to take care of traffic in the springs district. All grading has been completed to Madrone Vineyard and considerable preliminary work done above that point.

Engineer Sams, in charge of the work, says progress is satisfactory and ahead of schedule.

Sprinkling of the dusty, graded areas around the Springs has been inaugurated. Increased pumping facilities at Boyes will make the water supply ample to keep the road in good shape for those who must have entrance and exit to their property along the construction route.

PLANS TO COMPLETE BLACK POINT CUT-OFF

President Harvey Toy In Interview Says Commission Plans to Pave Road to Napa County Line.

The San Rafael Independent in its last issue, has an article relative to highway matters. The article is reprinted:

"That the state highway from Sausalito should be widened four feet is the unanimous opinion of every automobile driver in the bay cities. From the amount of traffic going over this road each day, it is becoming dangerous to travel over it on holidays and Sundays. With an additional four feet, the road would be made safe for congested travel.'

President Harvey Toy of the State Highway Commission, in discussing widening of the State Highway between Sausalito and Petaluma a few days ago, said:

"I realize that this road should be widened and we are looking forward to doing this as soon as the money is available. We plan to complete the Black Point cut-off from the Foster gate to the Napa county line just as soon as Chief Engineer Morton can prepare the plans and specifications. We are also looking forward to widening the highway from Sausalito to Healdsburg in the near future. We are rushing the work in every section of California and the people of the north bay counties can be assured that they will not be overlooked when the money is available."

G. Sorini, Sonoma wineman and fruit dealer, was a business visitor to San Francisco last Saturday.

EL VERANO NEWS

By ARCHIBALD McKIVER

Raymond Musante of San Francisco is at his Sonoma Vista home or a few weeks' rest, accompanied by his mother.

Joe Danieli made his weekly visit to San Franmisco, returning home on Sunday. Look out,(Joe, it's Leap Year.

Miss Irene Dowdall is visiting relatives in Concord this week.

Miss Rooney, famous Valley of the Moon pacer, formerly the property of Rudolph Spreckels, will be entered in the Park Stadium races Sunday. A number of local race followers will be at the track to watch the mare do her stuff, and Joe Ryan, Sonoma driver, will handle the reins.

Mrs. M. Fish and daughter, and Miss Anne Terry of Alameda returned home Monday after a pleasant visit at their new Sonoma Vista summer home.

Mr. and Mrs. A. B. Johnstone motored up from San Francisco Monday and visited at the Minkel home.

Rev. Father Byrne, popular Sonoma padre, was a welcome visitor to El Verano Saturday.

Mrs. Fred Venton was a week end visitor here from Oakland, at the Andrews home. Her mother returned with her Saturday to spend several days.

Bob Smith, veteran of the wars, has arrived here from San Francisco for the benefit of his health. Smith is working out with a hoe at the Lombard corn field and says he expects to regain his lost vigor by doing outside work, under the direction of Dr. Barney O'Neil, who promises him all the work he wants in the line of tilling the soil.

Mr. and Mrs. Querry of San Francisco are registered at a Valley of the Moon Hotel. For many years Mr. Querry has been a pensioner of the Union Iron Works and his friends of those days who reside here are extending him a warm welcome.

Mr. and Mrs. W. C. McAuley have been down from Hornbrook, looking over property interests. Mr. McAuley is a veteran S. P. engineer, on the Sacramento division.

A large crowd of visitors from outside cities were enjoying the three holidays at different Valley of the Moon resorts. As schools do not close until June 20th, most of them returned home, but made reservations for accommodations the latter part of the month.

Mr. and Mrs. A. Aubrey of Oakland were entertained over Memorial Day at the Kearney home.

Charles Danieli and William Wyatt of San Francisco spent the holidays with El Verano friends; also enjoying a fishing trip to Bodego Bay, bringing home a number of finny beauties.

Mr. and Mrs. . H. Baines and Miss Doris spent the latter part of the week at their cottage at Dillon Beach.

Henry Danieli was a motor visitor Friday in Oakland.

Mr. and Mrs. Joe Chelini of San Francisco were guest Sunday at the Chelini home on Riverside Drive.

Miss E. Steckmeyer is spending the week with Point Reyes friends.

The grand opening of the El Verano Villa last Friday evening was a big success. Delaney's Palace Hotel Orchestra music was enjoyed by the large crowd from this valley and outside cities and dancing continued until the wee hours of the morning. During the vacation months these social dances will be held each evening at the El Verano Villa, as well as motion pictures every Friday evening, under the direction of John Mohr, Sonoma movie magnate.

R. Kuhlman and wife left from San Francisco recently, where they will make their future home.

George West, Sonoma Vista property owner, was up from San Francisco recently attending to business here

Mr. and Mrs. C. Danieli and little daughter have been spending several days in El Verano. Mrs. Danieli was formerly Miss Camille Vincent of El Verano.

Bob Patterson, formerly manager of the Elite Bar, Sonoma, which was sold recently to B. H. Chambers, will soon leave for his old home in Connecticutt, which he left 18 years ago with the famous Ringling Brothers' circus. Since then his father, a peace officer, has died, but his mother is still living. Bob, being an only son, will be warmly welcomed in his home city after his long wandering. His many friends wish him good luck in the old home town, and some day hope to see him back in Sonoma.

Mrs. H. McNeil was an Oakland visitor over Memorial Day, going down to pay tribute at the grave of her late husband, who was a government man.

George Gale of San Francisco is spending several days with home folks

L. L. Stevenson, contractor is building a new home in Sonoma Vista.

Mr. and Mrs. H. Craib of San Francisco are spending several days at the Manrey home.

Mrs. R. Steiger of San Francisco was here over Sunday, visiting her daughter, Mrs. G. Cooper.

Section hands and painting crews on the S. P. lines were laid off over Decoration Day until Monday. Rail officials are claiming hard times and are laying off many employees.

Flags in El Verano were at half mast over the post office and other places Memorial Day, in memory of the nation's dead. Business places declared a half holiday and the local school was closed all day.

Many visitors from outside cities were at Boyes Springs Sunday. The large swimming tank, now open for the season was enjoyed by many bathers, as the thermometer, hovering around the 100 mark, caused the people to make for the water. An orchestra kept the spectators in a happy mood, while the old jazz kept dancers stepping to the sweet music. High diving and swimming races were also on the card, and by the size of the crowd, one was reminded that the good old summer time was once more on and the famous springs, known for their curative waters, recovered from the recent fire, coming back bigger than ever. Delaney's Orchestra of the El Verano Villa has been engaged for Sundays at the Springs during the summer months.

Charlie Champlin, Valley of the Moon milk king, has installed an ice plant at his milkery, owing to the hot weather, which caused the milk to sour. By having the ice plant, the milk is not only saved, but delivered to his many customers right out of the icery, making a cold, delicious summer drink.

Mr. and Mrs. W. J. Kroeger, former residents, were visitors here from San Francisco Sunday, enjoying the day with folks on the old home farm.

Frank Denny was a guest of his friend, John Nufer, Sunday. Denny is the boder that was arrested with Bert

DEPUTY FIRE WARDENS NAMED

The Sonoma County Rural Fire Department is again well organized for fire protection. The personnel of the chiefs and assistants in the various districts is practically complete. County Fire Warden John M. Laughlin has announced the list of men who will head the various district fire fighting companies in the county, as follows:

Triniti—Herman Hoz, chief; James Frasier, assistant.

Kenwood—H. H. Garnesey, chief; Sonoma—J. H. Murray, chief; Joseph Revie, assistant.

Bennett Valley—Frank Birch, chief; Fred Cook, assistant.

Eldridge—S. Victor Thompson, chief.

Schellville—Fred Helberg, chief.

These deputy fire wardens are authorized by the county to employ not to exceed 15 men and incur expenses of not more than $50 for food and transportation on any one fire without special instructions from the county fire warden. The deputies are working under appointments of the state fire warden, issued by the State Board of Forestry, which gives them authority to arrest wwithout warrant anyone caught in the act of violating state and county fire laws.

To preserve the natural beauties of the great routes of travel of the Pacific Coast, we have removed all of these signs, 1200 in number, from the highways.

SONOMA COUNTY MUST HAVE PUBLICITY

The Supervisors are confronted with the old problem of requests for many kinds of aid and insufficient funds to give help to all the various projects asking support. Just now among other things there is demand for a Home Demonstration Agent and also for a publicity fund to make known Sonoma County's advantages to those seeking the best counties of California.

As between these two requests the Supervisors should quickly decide. The object of the publicity fund is to get more people to locate in Sonoma County and help us develop it. The Home Demonstration Agent can wait until Sonoma County can afford to have such an adviser. With modern methods of Domestic Science as now taught in the schools, with women's clubs, Granges, university and governmental literature, the rural home will function without a demonstration agent.

After a recent visit to Southern California, where tourists have been sought by publicity and have builded a wonderful empire, it is time Central California counties woke up. The tourists brought to the South never hear a word of this section. Not a newspaper from this section is for sale outside of Los Angeles. To break down this barrier and be heard should be Sonoma County's big work right now. Let's launch the program at once.

THE LAME DUCKS' LAMENT

The enemy sheet fighting Governor Richardson, which is known as the Call-Post, and edited by a former Hiram Johnson henchman, tries to blame recent forest fires, and fish and game commission troubles on the Governor's economy program. It's a great wonder that the rain shortage is not also blamed on the Richardson policies, or the bathing suit trouble at Alameda beaches attributed to his retrenchment program.

As for the Fish and Game Commission, it is high time that this close corporation drawing State pay was jerked up, but it never was done until Friend Richardson had the courage to curtail their monotonous expenditures. The "embarrassment" facing the Fish and Game Commission is really too bad, particularly pitiful to those remembering how "frozen" its function has been for several past administrations.

BRING A FRIEND TO CALIFORNIA

Have you friends or relatives in the East whom you would like to see?

Do you know anyone anywhere outside of California who might be induced to visit that great State?

Would you like to perform a genuine service to your city and State?

This is tourist time. The tourist season is of vast importance to California. The State particularly needs a good season this year.

The Index-Tribune is co-operating in a state-wide movement to make this a great tourist year.

You can render valuable aid in a very simple manner.

How to go about it. Easy. The Index-Tribune prints a coupon today. All you have to do is to fill in the names and addresses of friends you want to come to California to see you, your name and address, and mail it to Californians Inc., 140 Montgomery street, San Francisco. The coupon provides place for two names. But send as many as you wish on a separate sheet, pinned to the coupon. And be careful to send only the names of people who you think are good prospects—who can afford to make the trip—that there shall be no waste.

And one thing more—write your friends youself. This is most important. Tell them good things about California. Tell them what we have here. Give your friends a real picture of California—the highways are open—the mountains and valleys, the lakes and the sea are now, as ever, a great playground.

Californians Inc. will do the rest; will write your friends, will mention your name, will tell them that you would like to see them, and will send them one of the best booklets on California ever written. It is a booklet for which people in all parts of the world write when they hear about it. Californians Inc. will tell them what there is to see and do here—how easy it is to come—how low the excursion rates are.

This is the time to reach the Eastern friends. Not only will Californians Inc. send them the splendid illustrated booklet on California, but also a little map of tours showing them just where to go to see the State's scenic and historis wonders.

So fill in the coupon now and send it along on its mission of happiness.

Mr. and Mrs. Arthur Mosso have returned from an extensive trip to Europe and are again occupying their pretty hillside home, formerly called La Lomita, east of El Verano.

FILL OUT THIS COUPON AND MAIL IT

California wants a great tourist year. Californians Inc. seeks names of persons who might be induced to come to California. You can help. Write in the names of friends residing outside of California. Write your friends yourself, telling them good things about California. If you have additional names, write them on a separate sheet and pin to the coupon. Do this now.

Californians Inc., 140 Montgomery St., San Francisco:

P·G·and E·
is California's code for
"SERVICE"

QUICKLY, the alert mind translates the letters P G and E into the word SERVICE.

Thoughtlessly, the average citizen accepts this *service* as a matter of course, so unobstrusively and faithfully is it rendered.

What is the P G and E? Are *you* able to answer?

The P G and E is a *practical demonstration of intelligent co-operation!*

Over 40,000 Californians in all walks of life supply most of its capital.

Approximately 8,500 employees (receiving a payroll of over $14,000,000 annually) operate the company.

About 700,000 customers, scattered over an area as large as seven Eastern states, enjoy the advantages of this "public-partnership" arrangement.

Whether you are a security holder, employee or customer, be proud of your part in fostering one of the State's most important industries.

For upon its success depends the success of thousands of other industrial activities in this community—and they in turn affect *you*.

VINEBURG ITEMS

Mrs. Grover Rubke and daughters, Thelma and Margaret, spent Memorial Day in San Francisco with her sister and brother-in-law, Mr. and Mrs. Purviance.

Mrs. Oscar Dierx entertained the Hyde Tract Club on Thursday. Refreshments were served and a jolly time spent playing "500".

Mr. and Mrs. Henry Hyde and son, Herschel, left Thursday for a three weeks' camping trip.

Mr. and Mrs. Ed Smith, accompanied by Miss Rose Day, spent the week end with their old time friends, the Grover Rubkes.

Walter Pierson has sold his ranch in Vineburg and expects to go back to mining again.

Dr. and Mrs. Thurlow Miller are here from San Francisco, the guests of Louis Martin.

Mrs. Louise Rukbe very delightfully entertained the Jolly Twelve Club at her home here. Dainty refreshments were served an da good time enjoyed.

Joe Andrieux, deputy sheriff of Placer county and manager of the Summit Hotel, accompanied by Mr. and Mrs. Emile Andrieux and children, arrived in Sonoma Thursday afternoon for a visit with relatives and friends.

John Monk, the well known contractor, is now engaged in erecting an up to date sanitarium or Mr. and Mrs. George Burns at their country home Burnsdale, in the Hyde Tract.

Mr. and Mrs. Frank Groskopf, accompanied by Mrs. Leona Batto and children motored to Sausalito and San Anselmo Sunday and returned by way of Petaluma and enjoyed a fine trip.

Mr. and Mrs. Fred Batto, Mr. and Mrs. Albert Groskopf, Mrs. Charles McDevitt and Misses Adele Andrieux, Emily Batto, Margaret and Elizabeth McDevitt motored to Bodega Bay on last Sunday and report a fine time.

James Church rented his orchard near this place and on Thursday left for Sacramento county, where he will engage in stock raising.

SONOMA BAKER BELIEVES IN MODERN METHODS

Michael Weiler the progressive proprietor of the Old City Bakery is installing a mechanical molding machine which will turn out 1800 loaves of bread ready for the oven every hour. The fame of Valley Maid bread and growing popularity with the summer trade made the new machinery necessary at Mr. Weiler's baking plant.

SONOMA VALLEY IMPROVEMENT CLUB NOTES

The regular meeting of the Sonoma Valley Improvement Club was held Tuesday night, Pres. White in the chair. Nominations for the several offices were made and an exciting election is looked for on the 17th, it looks like old time politics. Mr. Frank Metschau brought up the question of inaugurating a yearly picnic where the members and their families could pass a pleasant outing free of charge. A committee consisting of Messrs Metschau, Kearney, Jones and Capt. Candelin, Mesdames Saxl, Hansen, Flowers, Nimpfer and Lewis to look into its feasibility and report next meeting. The proposition of fire prevention was taken up and all members were urged to clean up around their property and the non-residents will be communicated with. Secretary Kearney will get in touch with the proper authorities and ascertain if such action could not be made compulsory.

Mr. and Mrs. Christoffersen motored to the valley the week end and looked up their many friends, they are staying at Oak Grove.

Mrs. D. J. Lagen of San Francisco spent the week end here with her parents. She does love the country.

Mr. and Mrs. John Ludwig, accompanied by Mrs. Pearson motored over to Burg Sunday and were royally entertained by Mrs. Hansen at her residence, "Look Out."

Our thanks are due to the highway contractors for sprinkling our road. Dust may be very filling but is certainly not appetizing.

FIGHTING WOODCHOPPER TO FIGHT MILLER AGAIN

Tuesday night, June 10th, at the Petaluma Reliance Club, William Kent, the "fighting woodchopper," will meet Jackie Miller in a return match, the first since the tie at Coney Island some months ago. Those who saw the match then with its close decision, are sure Kent can win this time from the North Beach boy. Sonoma boxing fans will be at the ringside in Petaluma Tuesday to root for the "Woodchopper."

Kent was in from the hills this week and says he is in the pink of condition.

Other events at the Reliance Club Tuesday will be Bobby Reed vs. Art Emery; Pete Francis vs. KO Bradley; Marononi vs. Young McMaster; Wills vs. Battling Deutch, and Leonard vs. Bobby Miller.—adv.

VISITED HERE IN INTEREST OF PAGEANT

Mesdames Green, Byce and Pierce of Petaluma came to Sonoma recently to enlist the interest of local players in the episode of the Redwood Pageant to be put on by the Sonoma Valley Woman's Club at Armstrong Woods in September. All club women of the county are to rehearse and produce some episode. Sonoma Valley will enact the history of California and have been alloted 20 minutes to show the coming of the padres, the Christianizing of the Indians, the Mexican regime, and the splendid idle forties, under the Stars and Stripes.

A meeting was held here Monday night and a nuumber of prominent men and women gathered at the Woman's Club House to hear Mrs. Burlingame sketch the pageant and Sonoma's part in it. Rehearsals will be called at a later date, and all former Mission Play participants are urged to attend.

It is the intention of the local committee to have Sonoma go in a body to Armstrong Woods the day of the pageant and have a big picnic in the redwoods, prior to the play. Actors in the pageant will receive a badge entitling them to free admission to the play and grounds.

Mrs. Frank Green of Petaluma is author of the pageant and Miss Gladys Kenney is in charge of the choruses and dancing.

Proceeds of the pageant will be divided between the Save the Redwoods League and the club fund for a Sonoma county hospital for tubercular children.

MRS. ESHBACH HAS AN ESTATE OF $6600

A petition for letters of administration with will annexed for the $6600 estate left by Mrs. Emma Eshbach was filed in the superior court this week by Frank H. Phillips of Petaluma, as public administrator.

Under the terms of the will, a pair of diamond earrings are given to a niece residing in Missouri, while the residue of the estate, consisting of $1800 in realty and $4800 in personal property, is left to Mrs. Eshbach's five sisters and one brothers residing in the Middle West and East.

Attorney A. R. Grinstead and Attorney F. S. Howell of Petaluma are attorneys for the petitioner.

"RUNSTAR" AT NAPA STOCK FARM TO REST

Runstar, famous race horse of A. Spreckels, valued at over $1,000,000, and recent winner of the Crofforth $45,000 handicap at Tia Juana, one of the largest purses offered on the American turf this year, was brought to Napa Stock Farm Saturday from Tanforan to rest for the summer.

It will be remembered that Runstar is a half brother of the unbeaten Morvich, champion in 1921 and winner of over $200,000.

According to a statement made by Walter de Brettville, manager of the Spreckels ranch, Runstar may never run again and will probably be used for stud purposes, although it is possible that Runstar may be raced against Epanard, champion race horse of France. Future plans for Runstar are rather indefinite at the present.

The Ladies Aid of the Congregational church will meet Tuesday at Mrs. R. B. Hunter's pretty home.

JOHN PLUTH HAS WONDER RADIO SET

John Pluth likes music with his meals and wants to be in communication with the big world outside of Sonoma, so last week he had L. A. Drake of Santa Rosa install a fine radio set in is restaurant.

The first night the set got in action John was amazed, for between the hours of 7 and 7:30, he found himself getting news reports which said London, Berlin, Hong Kong, Siam, Petrograd, and Havana, Cuba. The restaurant man was delighted that his radio was percolating to these remote parts of the globe and invited some experts in to listen in. Old radio fans then explained to John that he was getting news reports only from KGO and KLX, and that he hadn't been getting air waves from overseas. Pluth says his set is all right, anyhow, and he does get long distance. He gave splendid bulletins of the Gibbons-Carpentier fight to all the village sports and soon will be listening in for the nomination of Governor Al Smith of New York for president of the United States.

If you want the news, ask John.

That Sonoma Parlor of Native Daughters knows how to give a party socially and financially successful was demonstrated by the recent annual dance. Proceeds as reported will aggregate $100 net profit to the Parlor. "We boost, co-operate, and have no cliques at our dances," the Native Daughters say, in accounting for the success of their social affairs.

FLYNN, CLEVER JAIL BREAKER, GIVEN 10 YEARS

Jack Flynn, Sonoma county's famous jail breaker, will have no opportunity of increasing his record, unless he manager to elude guards at San Quentin, where he is to serve a sentence of not more than 10 years.

Flynn pleaded guilty in the superior court to the charge of assisting Seth Beals, another prisoner, to escape from jail some time ago. Flynn waived time on arraignment, entering of plea and pronouncement of judgment, assuming all three degrees in rapid succession. He expressed his desire of beginning his sentence in San Quentin at once.

The elusive Flynn, who made a key from a prison spoon, was recaptured twice, once at Napa Junction and later near Schellville, by Deputy Sheriff Ryan, who was assisted in one capture by Emmet Mullen of El Verano.

THREE NATIONS TO HONOR FATHER SERRA

A pilgrimage to the sarcophagus of Father Junipero Serra, in the restored Chapel of Carmel Mission, as part of a state and national tribute to what is known as "the cradle of far western civilization" has been set for the week of October 5 to 12. The remainder of the week is to be given over to a celebration of the early Spanish type, with fiestas, fandangaes, barbecues, pageants and Mission plays in Carmel and Monterery.

The king and queen of Spain and the Spanish ambassador are among the notable persons who are to be invited to attend the pilgrimage and celebration.

Historic spots are to be dedicated during the week, including Portola Cross where Portola lost his way in attempting to locate Monterey under orders from the king of Spain; the scene of Vizvaino's landing at Monterey, naming the Carmel River 18 years before the Mayflower lander at Plymouth Rock; and the place where Father Serra landed, and after establishing Carmel Mission, inaugurated the first agriculture on the Pacific Coast.

Three flags, those of Spain, Mexico and the United States, are to fly over the Monterey custom House, where the committee arranging the pilgrimage and accompanying festivities will make its headquarters.

Seven years of thorough satisfaction

The Overland Freight Transfer Company of San Francisco operates over 125 pieces of automotive equipment, ranging in size from 10-ton Kleiber and G. M. C. tractors and 6-ton Doane trucks to Ford roadsters, all of which are probably subjected to as severe usage as any fleet of trucks in California.

This Company has ample facilities for testing out various lubricating oils and basing their choice on proven success in service. They write:

"After seven years of thorough satisfaction covering the lubrication of our equipment with your Zerolene oils and greases, we are more than pleased to again enter into a contract for our requirements."

In spite of the fact that many automotive engineers are of the decided opinion that the most suitable crude for the manufacture of an automobile lubricant is produced right here on the Pacific Coast, a certain proportion of the motoring public is still influenced by the superstition that there is something mysteriously "better" about eastern oils, just because they cost more.

ZEROLENE F for FORDS —the Standard Oil Company's new improved oil for Ford cars "Feeds Those Oil-Starved Fords."

Why pay tribute to a superstition? The Zerolene-lubricated car develops better gasoline mileage, accumulates less carbon, costs its owner less for upkeep, and lasts longer.

Insist on Zerolene—a better oil—even if it does cost less.

Editor Writes From Southern California

(Continued from Last Week)

Long Beach, May 21, 1924.

This has been a wonderful day and a very busy one for the California Editorial Association and its president, Governor Richardson.

The fast Pacific Electric interurban train whirled us away from Riverside early this morning into Orange county, where a big delegation of Orange county boosters met us with automobiles and showed us that beeautiful county. Our first stopping place was at the orange grove and palatial home of C. C. Chapman, former Eastern book publisher, now one of the influential and wealthy men of Southern California. Mr. Chapman, a staunch Republican, has been mentioned as a running mate for President Coolidge. An informal reception at the Chapman home gave us a glimpse of the interior of this mansion with its rich Turkish rugs and other costly furnishings, made possible by the popularity of California oranges in the households of America and elsewhere.

After partaking of orange punch and meeting Mrs. Chapman, the editors continued the automobile trip through Orange county and were delighted with the highly cultivated acreage, thriving cities and improvements of this section. The price of land and improved realty was a revelation to those of us from Northern California. The simplest bungalow sells for $6000 and up, and the land on which a school similar to our Grammar School stands cost over $40,000.

Noon found us at the Orange county park, a beautiful public playground in the midst of a stately grove of trees, where benches and tables invite picnicing all year round, where there is provision for cooking, a recreation hall for dancing, modern, tiled rest rooms with the finest sanitary features, etc. The Supervisors of Orange county and many prominent men and women received Governor Richardson and his party. We were escorted to tables where a bounteous barbecue had been prepared. Baked ham, lima beans grown in Orange county, fruit salad, sherbet and grape juice were served with top-notch sociability between courses. The lunch concluded with a number of enlightening talks, Governor Richardson being accorded a real ovation when he declared his intent to boost for Coolidge and for Chapman of Orange county.

Our Orange county friends placed their cars at our disposal later in the day and we were driven to the site of the projected harbor at Balboa, which is among the ambitious plans of this section. We viewed the project from a tug boat which took us along the waterway and to the site of the future deep water berth for commerce and trade.

The interurban electric service took us on the last lap of our trip to Long Beach and conveyed us to our headquarters, the splendid Hotel Virginia, which is located on the sandy beach and is a six story imposing structure with unobstructed view of the ocean, and in sight of all the attractions of the shore line, including pleasure piers concessions and theatres. Long Beach a city of immense business blocks and skyscrapers, accounted for partly by the derricks on Signal Hill the famous oil section, which loomed up before us, was a revelation. The Long Beach newspapers given to the editors contained the information that the population of the city was 125,000 whereas in 1910 it was only 17,000. Oil production in 1923, 66,000,000 barrels; bank clearings in 1923 were 431,000,000; industrial payroll in 1924, was $1,000,000 per month.

The entertainment accorded us by Long Beach will never be forgotten. We were guests of the municipality, which quite evidently believes that newspaper men and women are worth while. The entertainment during our stay was as follows:

Wednesday—

Arrive at Hotel Virginia 5:30 p. m. All theatres in the city will honor the badges of the city's guests for free admission. Dance pavilion and roller coaster free to guests.

Thursday—

Leave Hotel Virginia at 9 a. m. for Pine Avenue pier to embark on trip through harbor as the guests of the San Pedro Chamber of Commerce. Back to Hotel Virginia for lunch at 12 o'clock. At 2 p. m. a submarine chaser will be at the Pine Avenue pier to convey the guests to the flagship of the Pacific battle fleet, on board of which they will be the guests of Admiral S. S. Robison, commander of the fleet. Evening, guests at any of the theatres.

Friday—

Trip to Mt. Lowe, 9 a. m. In the evening a banquet will be given by the city of Long Beach in honor of its guests, the California Press Association and Admiral Robison and his staff.

Saturday—

Leaving Hotel Virginia at 9:30 a. m., an auto sightseeing trip will be made through the oil fields of Signal Hill and other parts of the city. Any and all guests desiring to play golf will be taken care of at the Virginia Country Club or the Municipal Golf Course.

We were entertained aboard the battleship U. S. S. Idaho, which was one of Admiral Robison's fleet in the harbor there; we were tendered a banquet reception and dance to which the Navy officers were also invited. At the banquet the municipal band furnished splendid music and for dancing an orchestra from the fleet played.

Friday we were taken to Mt. Lowe, via Pasadena, and the beautiful Altadena in the foothills. The steep ascent to Mt. Lowe brought us to 5000 feet above sea level, where we were given a lunch at the tavern and spent two delightful hours.

Saturday the excursion party started for home, leaving Los Angeles via the fast Padre.

While in Los Angeles Mr. and Mrs. Murphy visited Dr. Frances Leix, whose X-ray laboratory is a wonderful one, located in one of the city's tall office buildings. Mrs. Leix wished to be remembered to all old Sonoma friends.

We met by chance Mr. and Mrs. F. C. Wilson, formerly orchestra leaders at Boyes Springs, and had a pleasant chat with them over a Spanish dinner. The Wilsons are playing in Los Angeles at the present time, but hope later to come to Sonoma Valley, which they hold very dear.

This concludes my account of the annual excursion of 1924 of the California Press Association, one of the finest outings ever enjoyed by the newspaper folks.

C. G. MURPHY.

FIRST TO CLIMB EL CAPITAN IN 1924 SEASON

Morris B. Lerned of Pasadena, a Camp Curry guest, Monday climber El Capitan, the famous peak that guards the entrance into the Yosemite Valley. This was the first time, so far as is known, for anyone to make this difficult hike this season. There is no real trail to El Capitan at the present time, which makes it an inadvisable trip for any but experienced mountain hikers.

Lerned reported the old trail from Gentry to the summit in very poor shape, due to the growth of undergrush. He made the trip via Big Oak Flat road to the Gentry checking station, thence to El Capitan. Another way to reach this lofty summit is by way of the trail to the top of Yosemite Falls. Last year over a score of people made the trip, many of them going by one of the routes named and returning by the other.

This is the second time within a week that Lerned has been the first person over one of the more difficult Yosemite trails for the 1924 season. A few days ago he climbed Half Dome, being the first hiker to make this trip since the steel cables up its steep slope, which are now removed every winter, were replaced.

Mr. and Mrs. E. P. Hoyt of Oakland are visiting Mrs. J. Greiner of Buena Vista.

ARE BUILDING NEW HOME ON HIGHWAY

Mr. and Mrs. M. Bride of San Francisco, who owned property in Woodleaf Park, which was destroyed by the fire last year, have bought a lot from James Baines on the highway near the ball park and are building a new home. M. Y. Hansen is contractor for the pretty four room house, which has all the latest built-in features and two sleeping porches.

"HOLLYWOOD" IS COMING TO SONOMA

All lovers of the screen will be pleased to hear that Manager John Mohr is to show "Hollywood" at the Don Theatre. The movie about the movies tells of the experience of a pretty girl trying to become a star at Hollywood. All the screen celebrities are in the picture. Do not miss it at the Don on Sunday night, June 8th.

MAY ORGANIZE COMMUNITY PLAYERS

Mrs. Isabelle Fletcher Ayres may organize a cummunity players' club this fall in Sonoma Valley. It would be a splendid opportunity for those interested in dramatics to have so talented and experienced a director and coach as Mrs. Ayres. The charming former leading lady of many big stock companies is now a property owner here and conducts the Smart Shop at Boyes Springs, a classy little store catering to men and women who appreciate a well selected line of up-to-the-minute merchandise.

PROSPERING IN LONG BEACH

While in Long Beach last week Mr. and Mrs. W. L. Murphy saw James Gilmacher, his mother and also his wife, formerly Miss Millie Richards of Agua Caliente. The Gilmachers are prospering in the south, their Long Beach investment having turned out handsomely. They have a pretty duplex home on property which fronts on La Lomita Drive and goes back to a busy business street.

TO FARM BUREAU MEMBERS

Members will meet at Vineburg station on Wednesday, June 11th, at 7 p. m., to visit Browns Valley Farm Center, thereby benefiting them socially and educationally. All members are invited.

F. WEDEKIND, Director.
W. J. Otten, Secretary.

Judge Lester Small and Bert Kerner motored to Richmond and Oakland over the last week end. While down they called on Mr. and Mrs. Nick Carriger (Norma Hansen), and Mr. and Mrs. Phil Leiser of Oakland. They also dropped in on Ralph Busby, who has a garage on San Pablo avenue.

GOLDEN GATE FERRY MAKES RAPID GROWTH

Breaking through the "Chinese Wall" separating the rich north bay district from San Francisco two years ago, May 28, 1922, the Golden Gate Ferry Company celebrated its second anniversary May 28, 1924, with practically continuous 20 minute service from Thursday noon to Monday noon over the holiday week end.

When the steamer, Aven J. Hanford, inaugurated the service of the Golden Gate Ferry Company May 28, 1922, it carried the first day 154 automobiles and one truck. May 28, 1923, operating two boats, the company carried 921 automobiles and 118 trucks. On May 28, 1924, operating three boats the company carried 1027 automobiles and 143 trucks. This is an indication of the rapid rowth of Marin and Sonoma counties during the past two years. The following statistical report issued by H. E. Speas, vice president of the company, indicates the amount of business done since the inauguration of service:

EL VERANO NEWS

(Continued from Page Two)

Colima last week in San Francisco for boxing as professionals at an amateur show. Denny claims it was all spite work of the city officials and that had the fight went on he would have won. The police stopped the match at the end of the first round. Colima is the champ of his division on the coast.

Miss Doris Nonella, San Francisco telephone operator, was the guest of home folks Sunday.

Mr. and Mrs. F. Michalis of Fresno have returned after spending several days at the Jasper home in Sonoma Vista.

Mrs. T. A. Ellison and son, after enjoying several days at their cottage on Nob Hill, returned to Oakland on Sunday.

Mrs. C. Ganiats and little daughter were visiting several days with the former's mother here, Mrs. La Franchi. Mrs. Ganiats now resides in the city of Oakland.

Mr. and Mrs. Kalon of Oakland were week end visitors at the Weaver home.

Parente's Villa Hotel is now open for the summer trade, with Mrs. Parente in charge. This hotel is one of the finest in the state and no doubt will get its share of tourist patronage this summer.

Miss Dorothy Klopstock of San Francisco is spending a two weeks' vacation at the Mrs. Charles Baines home.

Eddie Healey, comedian, politician and all around good fellow, was a week end visitor from San Francisco. Eddie accommodated the many visitors with songs and stories, and was warmly welcomed by natives of this village.

Phil Rossi, it is rumored, will soon become a "miner bold," he having spent several days last week in Placer county looking over mining property, which he says appears to be very good.

Prohibition agents gave this old dry city the once over on Memorial Day. The sleuths tried to buy some liquor, but it was no go. After hanging around for several hours, they departed for parts unknown.

Mrs. Fick and family of San Francisco are at their summer cottage along picturesque Sonoma Creek for a several weeks' stay.

Eugene Dutil, former El Verano native, accompanied by his wife, enjoyed several days here, the guest of Mr. Dutil's mother. They now reside in San Francisco.

Mrs. L. Lamotte of San Francisco was the guest of Miss Datti several days last week, also attending the opening of El Verano Villa.

Mr. and Mrs. Walter Paulson and Leo Vincent of San Francisco were over Sunday visitors in Sonoma Valley. Mr. Paulson was formerly a Sonoma butcher.

Buck Holly, boxer, was renewing acquaintances at El Verano Sunday.

Miss Lillian Parente of San Francisco was entertained by relatives at Verano Sunday.

Mr. and Mrs. Claud Lombard, accompanied by Joe Springer, were over Sunday visitors at the Lombard mansion here.

Miss Alice Kearney returned to her Oakland home Tuesday after a pleasant visit with relatives here.

HAS BEEN VISITING IN SAN MATEO COUNTY

Mrs. Lulu Vallejo Emparan has returned from San Mateo county, where she has been the guest of Mrs. Aldrich at her pretty home down the Peninsula. She reports a delightful time with the former resident of Honolulu, T. H.

ABANDONED BOOZE TRUCK

An abandoned booze truck with a broken wheel and several barrels of wine was found near the Foster ranch on the Black Point cut-off one day last week. The driver had fled. The truck was registered in the name of G. Torris, 530 Washington street, San Francisco, so local officers declare. The wine was taken in charge by Santa Rosa deputy sheriffs and the truck towed here by Leo Jacobson and placed in a local garage.

SCHELLVILLE NEWS

Mrs. G. Lowell and daughgter, Virinia, and Lenore Clements, spent Saturday in San Francisco.

HIGHER TAX ON GASOLINE PREDICTED

"It seems likely that a raise in the gasoline tax and the putting back of the old motor vehicle license fee to what it was prior to the change made last year will be adopted next year when the legislature meets," said Harvey M. Toy, chairman of the State Highway Commission, recently.

"People everywhere," he said, "are demanding that there be no let up in state highway building and it is absolutely necessary that money be provided for this work, otherwise it must stop. The general impression is that money should be raised as outlined, as there appeared considerable doubt whether another bond issue would be carried," said Mr. Toy.

WAR ON FIRE STARTERS

Tony Velaga, employee of Wallace L. Ware ranch, adjacent to the state Knights of Pythias Home near Kenwood, was arrested this week on a charge of failing to obtain a permit before starting a brush fire.

The warrant for Velaga's arrest was issued on the complaint of County Fire Warden Laughlin, and is the outcome of a brush blaze that swept between three and four acres of land on the Ware place last Tuesday.

Velaga was arraigned before Judge Vaughan of the Santa Rosa Justice Court on the charge, but at the request of District Attorney Hoyle the hearing was continued, pending the arrival of Ware, who is out of town.

VIRGINIA POMEROY AS BOHEMIAN GIRL

Miss Virginia Pomeroy, daughter of Mr. and Mrs. Campbell Pomeroy, is making rapid strides in her chosen profession, as evinced by her numerous engagements in the San Francisco theatrical world. Miss Pomero is appearing this coming week at the California Theatre in a condensed version of the Bohemian Girl.

Max Dolin, who is known in the metropolis as an advocate of better music, better films, better amusements in all lines, is sponsoring the symphony concerts that are given at the California Theatre, and during the next few weeks will produce at the same show house shortened versions of many light operas.

WILL MAKE APPRAISALS IN CATTLE EPIDEMIC LOSS

Owen Duffy of Napa has been honored by apointment as Chief Appraiser by Governor Richardson, Dr. Eugene Houck representing the United States Department of Agriculture, and G. H. Hecke, representing the State Department of Agriculture, in connection with the hoof and mouth disease.

Mr. Duffy thus becomes the head of both the federal and state appraisal boards. He will be kept busy for some time in this important task because of the fact that many appraisals are help up under protest and will have to be finally adjusted.

He reports that the hoof and mouth situation is vastly improved and he is greatly encouraged over the prospect.

A late recapitulation of appraisals in the cattle plague in California shows the following totals.

Herds infected, 687.
Cattle killed, 47,073.
Swine killed, 20,465.
Sheep killed, 24,964.
Goats killed, 607.
Total animals slaughtered, 93,109.
Total appraised value, $3,697,406.41.

GLOVE NOT MODERN DEVICE

Its Use Can Be Traced With Unerring Accuracy Back to the Most Remote Times.

The origin of the glove dates back to remote antiquity. There is reason to believe that the ancient Persians wore them, since it is mentioned in the "Cyropoedia" of Xenophon that on one occasion Cyrus went without his gloves. It is also known that some kind of protective coverings for the hands were used by the Romans in certain kinds of manual labor and in battle. The English scholar, Dawkins, discovered on a bone dating from prehistoric days a design which he claimed to be a picture of a glove. On the monuments of the Pharaohs in Egypt there are represented among the tributes paid by subjected people gloves of the shape of the long suede worn by modern women.

Homer speaks of the glove worn by the ancient Greeks in garden toil, and, though a crude mitten may be meant, it is also thought that the ancients knew the fingered glove. Gloves of the ancients corresponded in color with their foot coverings. The sandals and bootlike stockings were generally white or pink. Mittens are among the dress accessories found with mummies of priestesses dating from the twenty-first dynasty of Egypt. They were of the same material as the upper garment.
